

# Application for a Bursary for Year 2016

**KHULISA**  
ACADEMY

Please read the following before filling in the application form

- Khulisa Academy has a limited number of bursaries, which have been made available to people who the Company deems to be the most suitable and who qualify academically to further their studies.
- The fact that you have submitted an application does NOT mean that you automatically qualify for a bursary. The management of our scholarship programme will make this decision.
- This form MUST be completed in all respects.
- All relevant documents as requested in the checklist MUST be attached to your application.
- The original must be delivered and NOT faxed to your financial aid office.
- All family income to be disclosed and substantiated in full.
- Although this bursary is paid directly to the educational institution on behalf of the student, it is the student's responsibility to furnish the company with his/her results as stipulated in the Contractual Agreement.
- Your application will NOT be considered if you already hold a scholarship/bursary from another company.
- Dell South Africa also strongly requests that the recipient, upon completion of his/her studies, consider starting a career in the IT industry.
- All successful bursary recipients will be required to sign a contractual agreement.
- Please submit completed application forms to your financial aid office at your campus.
